Come learn some traditions and things that are specific to Girl Scouts!! Sing some great songs, practice and perform some scout skits, and learn about the founder Juliette Gordon Low and the traditions that make Girl Scouts what they are today! Come be part of a world-wide movement!

This meeting will fulfill requirements for Brownie, Junior, and Cadette badges. Badge not included, but the fun definitely is!

Look for us entering through the main auditorium, going through to the outside cafeteria area. We will have a small snack and always something to take home.
